

Order your plants on-line!

GPSHort.com

2009 Marks Griffin Greenhouse & Nursery Supplies' 25th year of selling plants. Though we currently have twelve locations, Griffin Plant Services is located in our Morgantown, PA branch. Our staff is thoroughly experienced in placing orders, finding last minute availabilities, shipping details and providing pricing and literature to our customers. We are constantly working to provide our customers with the latest offerings from the best breeders and vendors in the industry.

To celebrate our 25th Anniversary, we are proud to announce the launch of our latest website: **GPSHort.com**. Please take the time to stop by and check out what's happening. While you're there, sign up for our emailing list to receive our latest promotions and special EODs.

Why Buy Plants from GPSHort?

Here are some reasons we think you should.

- The Best cultural/technical support in the industry from **GGSPro**
- Trained and knowledgeable sales staff, equipped with the latest electronic technology, such as digital cameras, ec/ph testing equipment, computers.
- Free grower seminars, many times with pesticide credits and webinars
- Sales staff has smaller geographic territories, enabling rapid response to grower needs.
- The latest varieties in plant genetics, including tissue culture, and virus indexing
- Free to discuss "All" plant genetics, not just proprietary breeding
- Over 85 plant vendors across the country and around the world
- Representing top plant vendors in the industry including:
Pleasant View Gardens, Kube Pak, Gro 'n Sell, Syngenta, Aris, Mast, Ecke Ranch, Emerald Coast, FAF, J.P. Bartlett, Lucas Greenhouses, Raker's, Silverleaf, Wessel's, Creek Hill and many more!
- On line availabilities for "At Once" orders
- Ability to handle single tray orders
- Grower truck deliveries in most areas from select vendors
- Net 60 days deferred billing on plant orders over \$200.00, for accounts with approved credit terms, when orders placed at least 13 weeks in advance
- Easy order history rebooking reports printed and mailed with our comprehensive Plant Catalog
