

ONE ECOSYSTEM.
INFINITE *growth.*

Design it.
Build it.
Grow it.
Source it.
Sell it.

ONE ECOSYSTEM. INFINITE GROWTH.
Bringing every stage of horticulture together.

Griffin connects professional production and retail with the products, expertise, and partnerships businesses need to grow. From planning and building to growing, sourcing, and selling, our ecosystem approach ensures every part of the process works together seamlessly—helping businesses operate more efficiently while delivering exceptional quality.
