## Weed & Grass Preventer

Image Casoron Weed + Grass Preventer Granules prevent weeds and grasses around roses and listed shrubs and trees. This product will control annually grassy and certain perennial weeds around established ornamental trees and shrubs, fruit and nut trees, and berries, listed on this label. One application, made as directed, is generally enough to give season-long control. This product is ideal for use around roses & listed shrubs & trees. For annual weeds, apply in early spring before weeds emerge or after removing weeds. For perennial weeds, for best control, apply after a killing front from late fall to early winter.

GARDEN & PET  
**Ant Killer Bait Stations**

Use Amdro Ant Killer Bait Stations year round for consistent control of ants. Each package contains 4 bait stations that contain food sources that attract a variety of ant\* species. That means you can kill both sweet-eating and grease-eating ants\* with one easy to use product. Amdro Ant Killer Bait Stations contain a bait formula that attracts foraging ants\* seeking food for their colony. They take the bait back home to share. Once the queen and other ants\* eat it, the colony is destroyed. Some ants\* die in hours. Larger colonies may take a week or longer. Kill ants\* the proven way with Amdro. \*Except carpenter, fire, harvester, and pharaoh ants.
