GRIFFIN 2026 CHRISTMAS

PROPRIETARY LED RGB/WW TREE COLLECTION

What does RGB / WW Mean:

- RGB/WW Christmas Lighting blends vibrant color versatility with classic warm ambiance.
- RGB= Red, Green, Blue Colors.
- WW= A soft Warm Light Color.
- CW= Cold White

Dual Functionality:

The best of both worlds, dynamic colors for parties and events, plus warm white for classic holiday charm.

Custom Lighting:

- RGB/WW Lighting allows the ability to switch between modes.
- For example; You can set a Red/green combination for Christmas Parties or Warm White for ambiance.
- You can switch to straight colors, combinations or Warm White.

Remote Control Functions:

- Steady
- Chase
- Fade
- Jump
- Flash White
- Flash Out
- Wave
- Auto

Icons:

- Tree= Red/Green Combination
- Pumpkin= Orange/Purple Combination
- Heart= Purple/Red Combination
- American Flag= Red/White/Blue
