

# SEED NEW VARIETIES

2026 CATALOG

A FAMILY OWNED SINGLE SOURCE SUPPLIER  
FOR ALL YOUR HORTICULTURAL NEEDS

## About Griffin

Griffin is a partner to horticulture professionals. Family owned and operated since 1947, we apply our knowledge, experience and resources to enhance customer success from production to retail.

End-to-end solutions are our specialty. We represent the industry's leading breeders and producers, spanning seed and vegetative, bedding and potted crops, ornamentals and edibles. Our grower supplies offer includes reliable inputs and equipment to help your crops thrive through all production stages. Finally, our quality retail products drive add-on sales for you, while enhancing consumer success and enjoyment.

To learn more about our company, we invite you to visit us online at [www.griffins.com](http://www.griffins.com), follow us on LinkedIn, Instagram and Facebook.

## Griffin is Committed to Exceptional Customer Service

Our goal is simple: to meet your needs and exceed your expectations. From the time you place your order until it's delivered to your location, our team works to treat you with the utmost care every step of the way.

We strive to deliver every order on time and in full.

Your opinion matters to us! Customer feedback is key to helping our team deliver on our service pledge. Please don't hesitate to contact us directly – by phone or e-mail – with any questions or input that may help us serve you better.

## PRODUCTION SUPPLIES

Griffin's roots are in production supplies, and they remain the backbone of our company today. We're proud to offer reliable inputs and equipment to help your crops thrive through all growing stages. Look to us for containers, growing media, chemistry and more from the manufacturers you know and trust. With the increasing demand for more economical and environmentally friendly methods of growing crops, we also specialize in Controlled Environment Agriculture from hydroponics to hemp. Our 15 branch locations service customers nationwide with convenience and efficiency. Shop all of our grower products and place your order with your Griffin sales representative or on [www.griffins.com](http://www.griffins.com).

## RETAIL SOLUTIONS

Griffin is the independent retailer's best source for lawn & garden products as well as gifts. We make it easy for IGCs to do business, with complete vendor offerings, low order minimums and efficient shipping solutions. Raise your retail game with help from our experts! Count on us for seasonal promotion ideas, merchandising best practices and space-planning tips to maximize your display areas and drive sales. Shop all of our retail products and place your order with your Griffin sales representative or on [www.griffins.com](http://www.griffins.com).

## GREEN GOODS

Griffin is a full-service broker of live goods to professional growers. Our assortment includes seed and vegetative material, bedding and potted crops, ornamentals and edibles from the industry's most respected breeders and producers. We're uniquely committed to the seed business, stocking more than 3,300 variety/product-form combinations in our state-of-the-art seed operations facility. Count on us for annuals, perennials, grasses, herbs and vegetables. We're serious about seed quality: Inventory monitoring and regular performance testing ensure every variety meets its full potential, from the greenhouse to the garden center. Browse our complete portfolio and book your inputs through your Griffin sales representative or on [www.griffins.com](http://www.griffins.com).

## TECHNICAL SUPPORT

GGSPRO is our in-house technical services team. With more than a century of combined experience, GGSPRO delivers prompt, practical and accurate support to Griffin customers nationwide. The team's areas of expertise include: Crop culture, sanitation protocols, plant physiology and pathology, chemical controls, biological control agents (BCAs) and plant nutrition. GGSPRO endorses a holistic approach to plant protection, utilizing a mix of cultural practices alongside chemical and biological controls to manage pests and diseases. Visit [www.griffins.com/ggsp](http://www.griffins.com/ggsp) or contact GGSPRO with questions as you have them at **800.888.0054**.

# CONSTRUCTION SERVICES

Our construction team assists with all aspects of greenhouse planning, construction and maintenance. Whether it's a new operation or expansion, upgrades or replacements, we can help with options to meet your needs and fit your budget. We offer a full range of equipment to help you grow efficiently and profitably. Look to us for greenhouse structures, films and coverings, lighting, climate control, irrigation, carts and more. Griffin fabrication team offers a range of metal benching kits, sliding door kits, and plant stands for all seasons. Visit us at [www.griffins.com/construction](http://www.griffins.com/construction) to learn more about our product portfolio and see our project showcase.

# YOUNG PLANTS

Griffin delivers premium quality plugs, liners and pre-finished plants from reputable producers nationwide. Our young-plant network serves all major regions of the country with reliable fill rates. To assure freshness, truck delivery is available to most areas from many of our partners.

Our assortment of market-leading varieties is available in the most popular product forms to meet your needs and preferences. Of course, our young-plant products are backed by the same unbeatable service and support you've come to expect from Griffin.

# PERENNIALS

Quality inputs yield the best finished product. We partner with accomplished breeders and producers worldwide to bring you the best in perennial seed, cuttings and young plants.

We've built our perennial assortment with your success in mind. Our diverse portfolio features cutting-edge genetics to simplify scheduling and production for you, and provides enduring performance and value to modern consumers.

We're a proud sponsor of the Perennial Plant Association and other organizations that support perennial growers, breeders and producers.

## Begonia Tuberous Rooted

(Tuberhybrida)

### LIMITLESS™

Limitless presents fully double, extra-large flowers that sit on top of the foliage for superior color presentation at retail. Excellent branching means that plants completely fill every container size. Blooming up to one week earlier than the competition. Limitless reduces production time. Use in containers, baskets, garden beds and combos.

**Form:** PLT

**Garden Height:** 8-10"

**Garden Spread:** 8-10"

**Containers:** 4-6" Pots, 1.5 Gallon Baskets

Limitless Yellow Improved

(Hybrida)

### MEGA COOL

Early green-leaf series boasts "Big" size flowers with a compact semperflorens - like habit. Perfect for hanging baskets and containers. Fast finish allows for early spring and spring sales.

**Form:** PLT

**Garden Height:** 18"

**Garden Spread:** 18"

**Containers:** Pots, Mix Containers, Baskets

## Celosia

(Plumosa - Feathered Type)

### FLAMMA AAS

Flamma has another AAS winner! Pink was selected for its exceptional flower power with strong basal branching and abundant secondary heads. It has a vibrant, long lasting display of upright blooms that have a striking visual display in the garden. Celosia Flamma exhibits great heat tolerance, excellent branching and its bright colors hold up through the summer heat. Early and uniform flowering for easy production. With the addition of Pink, the announced AAS winner, Flamma now has 6 colors plus a mix in the series.

**Form:** ASTD

**Garden Height:** 16-18"

**Garden Spread:** 10-12"

**Containers:** Jumbo Packs, 4-6" Pots, 1 Gallon

Flamma Pink

## Coleus

(Coleus x hybridus)

Premium Sun Type

### SWEET PAPRIKA

Sweet Paprika is well branched with medium vigor that showcases a rich, deep color. The new addition to this series has beautiful bicolor foliage all season. One of the latest flowering varieties in the collection. Premium Sun Coleus can tolerate full sun in areas with high humidity.

**Form:** PLT

**Garden Height:** 15-24"

**Garden Spread:** 12-18"

**Containers:** 301/1801 Packs, 4-6" Pots, Quarts, Gallons and Combos

Sweet Paprika

## Cyclamen

(Persicum)

### SEEWHY™

SeeWhy Shine Purple and SeeWhy Shine Scarlet join the best in class mini cyclamen series selected for early flowering on compact plants. High level of uniformity across the colors for efficient production. Tolerant of higher temperatures in production without sacrificing quality or flower timing.

**Form:** ASTD

**Garden Height:** 5-8"

**Garden Spread:** 5-8"

**Containers:** 1 Pint, 2-3" pots

**Shine Purple**

Fleuroselect

## SIERRA™ SYNCHRO

Sierra is free flowering with large, long-lasting blooms. Good for 5" to 6" pots. Series is uniform and well-matched across the colors. The Neon Rose is an addition to the wide range of colors this series has to offer.

**Form:** ASTD

**Garden Height:** 12-14"

**Garden Spread:** 12-14"

**Containers:** 5-6" Pots

Sierra  
Neon Rose

## Dianthus

(Barbatus)

### DART

Dart is naturally compact and uniform. It is fast to flower which allows for more color at retail. It requires fewer to no PGRs and doesn't need heat for production. It's suitable for both small to large pot production.

**Form:** PLT

**Garden Height:** 6-12"

**Garden Spread:** 6-8"

**Containers:** 4" Pots - Gallons

Dart  
Raspberry

## Gerbera

(Jamesonii)

### MAJORETTE

This series represents a "major" step forward in uniformity. Narrow bloom window and consistent habit make Majorette easy to grow, ship and sell. Recommended for 4" to 6" pot programs. New Orchid Dark Eye features a bright, new color to the series. Flower timing matches the series. Majorette series now has 10 colors and a mix.

**Form:** ASTD

**Garden Height:** 8-10"

**Garden Spread:** 10-12"

**Containers:** 4-6" Pots, Quarts

Majorette Orchid Dark Eye

## Helianthus

(Annuus)

### SUNFINITY®

Sunfinity has a beautiful new Bicolor addition with shades of burgundy halo for Fall retail appeal. Sunfinity boldly goes where no helianthus has gone before: Plants produce multiple branches with multiple flowers, and the color keeps coming all season long. A true novelty that's perfect for endcaps. Pair with branded containers and tags for a polished display.

**Form:** ASTD

**Garden Height:** 48"

**Garden Spread:** 24-32"

**Containers:** Quarts-Gallons

Sunfinity Yellow Red Bicolor

## SUNFINITY

Sunfinity helianthus is a stunner, but it must be sculpted into its best retail form. Learn how with the crop culture and PGR guides in our Digital Edition.

## Impatiens

(*Impatiens walleriana*)

### BEACON

Beacon Impatiens improves upon the longtime favorite Super Elfin with high resistance to IDM. To light up the shade Beacon is expanding its color pallet once again. Blue Pearl, a unique color with showy flowers of lavender petals with a pearlescent shine and violet-rose center that stays consistent and uniform in shade and higher light. Light Pink, flowers in shades of light to medium pink, with some displaying a more pronounced, deeper margin. Large flowers bloom on well-branched, mid vigor plants. Both are components in several of the Lighthouse collection of mixes.

**Form:** CTD

**Garden Height:** 14-18"

**Garden Spread:** 12-14"

**Containers:** Packs - 4" Pots, Quarts, 10" Pots or Baskets

## Petunia Spreading

(*Petunia x hybrida*)

### E3 EASY WAVE

All colors in the E3 Easy Wave series flower under 10 hours of daylength producing colorful mounded, spreading plants. Déjà Vu Mixture includes Blue, White and Midnight Marble (not available as a separate color). Cool temperatures will cause the bicolor pattern to become whiter. The blue in the pattern will become more pronounced as temperatures increase above 50° F.

**Form:** PLT

**Garden Height:** 6-12"

**Garden Spread:** 25-32"

**Containers:** 306/1081 Packs, 4-6" Pots, Quarts - Gallon, Baskets

E3 Easy Wave Déjà Vu Mixture

### EASY WAVE

Easy Wave is the most versatile series of the Wave family offering a range of colors including star and veins. More mounded and with less spreading than the original Wave series. Pink Pearl, blooms are shiny, light pink pearl with violet-rose veining at the throat. Color will be slightly darker under cool temperatures. Excellent color for combos where softer tone is needed. Large flower size with vigorous plant habit. Cold durable.

**Form:** PLT

**Garden Height:** 6-12"

**Garden Spread:** 30-39"

Profusion Double White Improved

## Coreopsis

(Grandiflora)

### ANDIAMO™

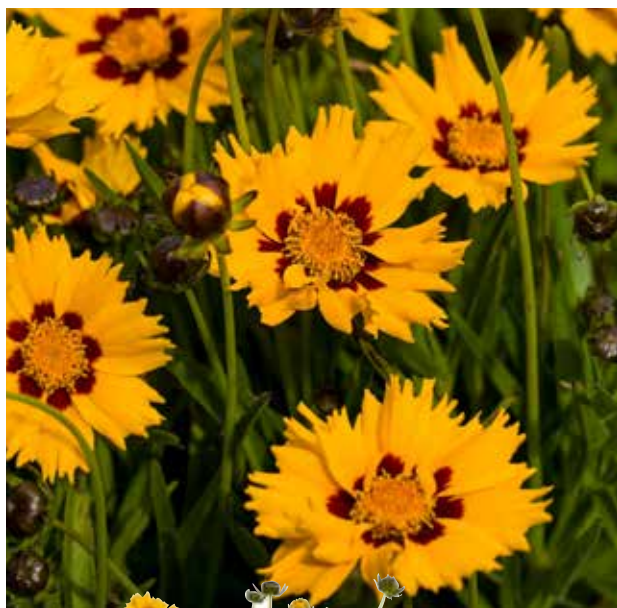

Very uniform habit and timing. First year flowering with no vernalization. The newly added Andiamo Yellow Red Semi-Double has beautiful semi-double flower form that present a premium product from seed. Nicely Branched habit works in a range of container sizes including small and large formats. USDA Zones 5-9.

**Form:** ASTD

**Garden Height:** 12-16"

**Garden Spread:** 10-12"

**Containers:** Quarts - Gallons

Andiamo  
Yellow Red  
Semi-Double

## Digitalis

(Purpurea)

### DOTTIE™

This new series has cottage garden charm. Compact and well - branched plants are easier to finish in a variety of sizes, requiring less PGR. Large flowers are presented on strong stems in rich and captivating colors. Uniform and early to flower for efficient production. No vernalization needed. USDA Zones 4-9.

**Form:** PLT

**Garden Height:** 16-20"

**Garden Spread:** 12-14"

## Lettuce

### PINT SIZE

Pint Size lives up to it's name, producing an adorable 5-6", 1-2 serving crisp iceberg type head on each compact plant. Suited to multi-season planting, it resists bolting and is well adapted to many regions. The dark green, wavy outer leaves protect a bright green interior of neatly wrapped inner leaves surrounding a small core. Its superior sweet flavor and distinctive crunch makes it a preferred choice for growers and gardeners, farm markets and specialty packaged retail offerings. 70-80 day maturity.

**Form:** ASTD

## Melon

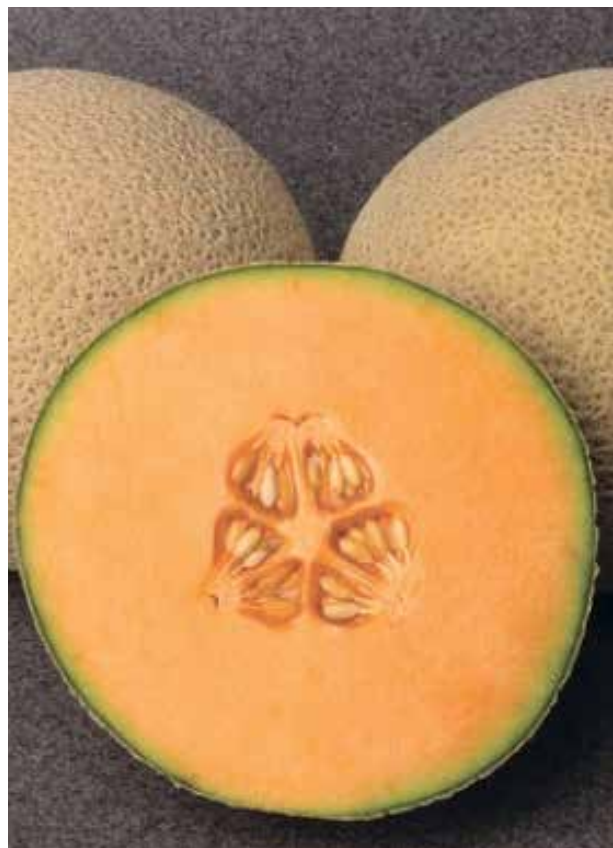

(Cantaloupe)

### GOLD CROWN 🍈

Early to main-season cantaloupe variety allows for early market opportunities. Maintains superb fruit quality and freshness for a long shelf life. Slightly oval fruit has firm dark orange flesh with sweet taste. Fruit Size: 5 1/2 lbs. Matures in 85 days.

**Form:** ASTD

**Containers:** Packs and Pots

## Onion

### RED RUBY

Red Ruby boasts deep red, shiny color on uniformly firm, globe shaped bulbs. Mid -to-late season short day type. Grower friendly with its intermediate resistance to pink root. Ideal choice for overwintering in mild southern climates. Matures in 145 -155 days from transplant.

**Form:** ASTD

## Pepper

### BIG BEN

A unique sweet pepper with dwarf habit, producing very large red fruit with thick wall. The upright but compact habit makes it ideal for containers and patio pots. Excellent heat tolerance and some inherent tolerance to TMV ensure longevity in the garden.

**Form:** ASTD

## Squash - Summer

### GREEN LIGHTNING AAS

One of the first patty pan squash on the market with a glossy vivid green-striped rind. This AAS winner was selected for its early maturity and robust flavor. Plant has a compact bush habit with exceptional yield. 40-45 days to mature from direct seed.

**Form:** ASTD

**Garden Height:** 24-36"

**Garden Spread:** 36-54"

**Containers:**

Cell Pack, 4"- 4.5" Quart, Direct sown preferred method

## Squash - Winter

### THRILLER AAS

Dumpling type squash flaunts an early appearing variable of orange and dark green psychedelic stripes on a creamy background creating outstanding consumer appeal. Thriller has a rich orange, dense and nutty flesh. Compact semi-bush habit with high yielding plants. This AAS winner was selected for its appearance and remarkable nutty flavor when roasted. Fruit size: 1-2 lbs. Matures in 75 -80 days.

**Form:** ASTD

## Tomato

### CHERRY BLAST

Cherry Blast has excellent performance in hanging baskets or large containers. It's high yielding with cherry size fruits that can be enjoyed all summer long. Resistance to ToMV strain 1 & 2 and tolerance to late blight allows plants to stay healthy into late summer.

**Form:** ASTD

**Garden Height:** 6"

**Garden Spread:** 22"

Our Employees Are Our Family

## Our Goal is Excellence in Every Perennial

### With Better Roots, Better Business. That's the Bottom Line.

Walters Gardens is the largest wholesale grower of bare root perennials in North America with an incredibly wide selection of varieties. These plants have an extra growing season on them than most greenhouse crops, for a larger, faster finishing product.

### Let Us Be Your Source for Top Quality Greenhouse Liners

Our plants are grown using a combination of the latest greenhouse technologies and IPM methods.

Most of our liners are easy to transplant Elle Plugs, while others are traditional loose fill plugs or mesh sleeved Growcoons. The type of plug used is based upon the specific needs of the plant.

**WaltersGardens**

# TERMS & CONDITIONS OF SALE

**DEFINITIONS** As used herein, the term "Company" means Griffin Greenhouse Supplies, Inc.; the term "Merchandise" means the goods described on the face hereof; and the term "Purchaser" means the purchaser identified on the face hereof.

**PRICING** The prices for the Merchandise are subject to change without notice in accordance with the prices in effect on the date of shipment.

**MINIMUM ORDER SIZE** Minimum order amount is \$5. Plant orders under \$75 will incur a \$15 small-order upcharge along with delivery charges.

**SHIPPING CHARGES – SEED** Standard shipping for seed listed in our program will be included in the seed price on orders totaling \$150 or more, and shipped within the continental U.S. Shipping charges will be added to the invoice on orders totaling less than \$150. All special shipping requests resulting in extra charges will be added to the invoice. Drop shipments directly from the vendor are subject to shipping charges.

**RETURNS AND CANCELLATIONS** No merchandise may be returned without authorization from our office. A) Plant orders are custom grown when booked in advance. Please review acknowledgments and confirmations for accuracy to prevent shortages and overages. Griffins cannot accept reductions or cancellations of plant orders once material is sown or stuck by the producer, Product ownership has transferred to the customer at that time. To review vendor specific cancellation terms go to [www.griffins.com/plantcancellationpolicy](http://www.griffins.com/plantcancellationpolicy) B) Seed orders: The Company will accept return of seed orders for credit pursuant to the following conditions: (i) Seed packages must be returned in the same condition within 30 days of ship date. (ii) No opened or altered seed packages will be accepted for return. (iii) No special-order seed will be accepted for return. (iv) No direct-ship seed, New Guinea impatiens, Primed seed will be accepted for return without prior authorization. (v) Seed returns must be shipped in protected packaging via a trackable ship method (USPS-(low value only), UPS, Fed Ex). (vi) Purchaser must notify the Company's Customer Service department prior to return of all seed orders. (vii) Purchaser will be charged a 20% restocking fee.

**SHIPMENT, RISK OF LOSS AND TITLE** Shipments of the Merchandise hereunder are F.O.B. the Company's facility; the Purchaser assumes all risk and liability for loss, damage or destruction after delivery of the Merchandise to the carrier.

**CLAIMS** All plant deliveries must be inspected upon receipt. Any damage or quality issues must be reported with photos within 24 hours. The Company may request that you plant the usable material with notification of total losses at a later date. In the case of visible shipping damage upon receipt from FedEx/UPS, damage must be noted on your freight bill and signed by the carrier's agent (driver). You must contact the Company within 24 hours to report your claim, at which time we will advise if you need to file the claim directly with the carrier, or if we will handle the claim. Damage that is not visible until the boxes are opened must be reported within 24 hours of receipt. A customer's lack of notification allows the Company to reserve the right to deny credit. The Company will request replacements whenever possible, subject to availability. Any visible damage, whether detected upon delivery or after shipments are opened, must be documented with photographs.

**PAYMENT** We accept cash, check or the following major credit cards: American Express, Visa, Master Card and Discover. The Company also accepts checks via fax, when submitted with the Company's Check by Fax Authorization form. New customers paying via credit card for the first time on orders of \$1,000 or more, but have not applied for credit terms, must complete a Credit Card Authorization Form for each cardholder on the account. Credit card payments do not qualify for payment discounts, e.g., 1% 10 Net 30. The Company will apply a 2% convenience fee to the balance on invoice payments made with a credit card; the 2% convenience fee will be waived for orders paid in full with a credit card at time of booking. Plant and seed orders cannot be shipped COD due to the perishable nature of the product. Credit Card and COD prepayments in full include payment for the product, sales tax and estimated freight.

**FINANCE CHARGES** A 1½% per month service charge is added on all overdue accounts. This is an 18% annual charge.

**TAXES** Appropriate state tax will be charged based on the location of delivery. All items will be charged sales tax unless we have your tax exempt number on file. In compliance with the law, we must charge the tax on all items which the state designates as taxable, even though you have provided us with your sales tax number.

**PICTURE DISCLAIMER** The Company strives to provide the most accurate rendition of the varieties contained within. However, we rely on our suppliers to have plants correctly labeled for our photography and on images they provide to us. The Company cannot be held liable for incorrect entries, and all pictures and variety names should be verified with the vendor and breeder catalogs. Recommendations made by the Company are compiled from recognized horticultural sources. We are not responsible for damage or losses that occur through secondary parties.

**EXCUSABLE DELAYS** Any delivery dates agreed to by the Company are only approximate and are subject to reasonable variation. In any event the Company shall not be liable for delays or for failures in performance or default in delivery arising out of or resulting from causes beyond its control. In no event shall the Company be liable for any damages, incidental, consequential, special or otherwise, arising out of any failure to deliver any merchandise to the Purchaser, any delay in delivery thereof, or any rejection or revocation of acceptance thereof by the Purchaser.

**PROHIBITION ON REPRODUCTION OR RESALE OF SEEDS** The Merchandise is to be used solely in the production of crops. The Purchaser must under no circumstances make use of the Merchandise for further reproduction or any other form of multiplication. After grading, calibrating, pelleting or treating in any other way the Merchandise, the Company's warranty shall be void and of no further force and effect. The Purchaser must undertake to impose the prohibition laid down in this section on its own buyer on the understanding that they will also do the same for their subsequent customers. The Merchandise is not intended for retail sale; resale is strictly prohibited.

**WARRANTIES** Crop yield and quality are dependent upon many factors beyond the control of the Company and NO WARRANTY is made for crop yield and quality. The Company warrants only that all seeds, bulbs, plants or merchandise sold have been labeled as required under applicable state and federal seed law and the seeds, bulbs, or plants conform to the label description which recognized tolerances. THE ABOVE WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, WRITTEN OR UNDERWRITTEN, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THERE ARE NO WARRANTIES, WHICH EXTEND BEYOND THE DESCRIPTION ON THE LABEL. No claim shall be asserted against the Company unless the Purchaser reports to the Company within a reasonable period after discovery (not to exceed 30 days any condition that might lead to a complaint.) THE PURCHASER'S EXCLUSIVE REMEDY FOR ANY CLAIM OR LOSS RESULTING FROM BREACH OF WARRANTY, BREACH OF CONTRACT, OR NEGLIGENCE (INCLUDING BUT NOT LIMITED TO INCIDENTAL OR CONSEQUENTIAL DAMAGES) SHALL BE LIMITED TO REPAYMENT OF THE PURCHASE PRICE.
