

To our Valued Customers,

While we continue to adjust our daily lives around the COVID-19 coronavirus restrictions, we would like to take this opportunity to not only stay connected with you, but to also remind you that we will continue to do our part in supporting you to the best of our ability.

We recognize that each day brings a level of uncertainty and changes to each of your respective businesses. Maybe we don't see you often right now, but we are here to remind you we are only a click away for ordering through Onliant or via phone at 1-800-888-0054.

Here is a link to ordering through Onliant <https://onliant.griffins.com>. It's easy to place an order! If you are new to Onliant, please click here <https://onliant.griffins.com/signup> to register for your free account.

Remember, we are in this together and we will come out on the other side of this in a better situation.

Wishing you, your staff and your families all the very best,
The Griffin Team
