# Griffin History

Over six decades in the making

Griffin Greenhouse Supplies, Inc, founded in 1947 by Charles J. Griffin, and headquartered in Tewksbury, Massachusetts, is the top greenhouse and nursery supplier in the Northeast and Mid-Atlantic. Griffin Greenhouse Supplies is one of the finest companies in horticultural services and is dedicated to providing the best all-around service to its customers.

In founding Griffin Greenhouse Supplies, Inc, Mr. Griffin's vision was to maximize products and services. Griffin Greenhouse Supplies makes this vision a reality by being the leader not only in quality products, but also in providing professional, friendly, and customer-driven service through its employees.

When Griffin started in 1947, it was a one-man operation with a limited line, bringing supplies to the growers' door, not unlike the old-fashioned peddler. As demand grew, so did Griffin's product line and operations to include delivery service on a daily basis. Our first warehouse was established in Reading, Massachusetts, in 1949 and then moved to its current location in Tewksbury, Massachusetts, in 1969.

In 1964, Charles Griffin passed away, leaving behind a legacy that was purchased by Ken Hyslip, Sr., in 1967. Due to Mr. Griffin's and Mr. Hyslip's hard work, commitment, and vision, we are now sixteen locations strong with branches in Massachusetts, Maine, Maryland, Georgia, Pennsylvania, Virginia, Tennessee, two in Illinois, two in Connecticut, two in New Jersey, and three in New York.

Griffin Greenhouse Supplies, Inc is committed to fostering a supportive and rewarding work environment for our employees; achieving financial goals through growth and effective use of resources and maintaining excellence and value through community leadership.

Today we realize that without our dedicated staff and the support of our customers, we might still be that "one-man operation." We have been, and will continue to be, driven by the principles of the company's founder who would always remind us that the products we sell could be purchased at many other companies, but we stand out because "what Griffin sells is quality and service."

Working toward continuous improvement and growth with Mr. Hyslip and his three sons, Rick Hyslip, President and Chief Financial Officer; Craig Hyslip, Chief Operating Officer, Ken Hyslip Jr., Executive V.P., is an Executive Committee which combines the knowledge and expertise of seven individuals representing Education/Training, Finance, Human Resources, Information Technology, Marketing, Purchasing, Operations, and Sales.

# Altogether. Better.

Owned and operated by the Hyslip family, Griffin Greenhouse Supplies has proudly served greenhouse and nursery growers for more than 65 years, and has grown into a premier distributor in the U.S., earning an outstanding reputation for operational excellence, high-quality products and superior customer service. Griffin operates 15 fully stocked service centers, spanning a 20-state region from Maine to Georgia with a full range of hard goods and equipment, growing media, chemistry, and more.

### Tick Tubes®

This remarkable solution consists of small tubes filled with cotton balls treated with the insecticide Permethrin. To use it, simply place Damminix Tick Tubes® in areas around your yard where mice frolic. That's it. Mice will do the rest for you by gathering the cotton to build nests in their burrows. Young ticks feeding on the mice are killed by the insecticide before they can spread Lyme Disease to you, your family and your pets.

## Encarsia Formosa Mail Backs

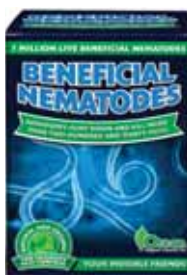

Delphastus is a small, shiny, black beetle, about one quarter the size of a ladybug, which feeds on several species of whitefly including greenhouse, sweetpotato (silverleaf) and avocado whitefly. If whitefly are not present they will also feed on spider mites. Both the adult beetle and larvae are predators and will eat whitefly eggs and larvae, but not adult whiteflies. Each container includes 25 live adults.

## Beneficial Nematodes

These microscopic organisms destroy pests that live underground. They will seek out and destroy more than 230 different kinds of soil dwelling and wood boring insects, including Japanese beetles, cut worms, wire worms, weevils, white grubs, fungus gnat larvae, flea larvae, subterranean termites and many more. They are so small that several thousand would fit on the head of a pin! But they do a big job –moving through the ground, they enter the body cavities of their target pests and release bacteria that kill that pest. They are completely safe for people, pets, and the environment, and are compatible with other beneficial insects.

## Live Earthworms

Earthworms (Red Wigglers) help keep the soil loose – they're Mother Nature's very own spade! These worms eat and burrow 24 hours a day. All of this tunneling aerates the soil, allows for easier root growth and improves water retention. And they speed up the decomposition process in cold composting. They include approximately 1,800-2,000 worms per pound. They are shipped as "Bed-Run," which means there will be a variety of sizes and life stages in each pound. Use them in the garden or in worm composting.

## Oregonism XL Root Growth Enhancer

A custom blend of 6 endo/ecto mycorrhizae species, 2 types of Trichoderma, and 13 species of beneficial bacteria, as well as yucca, humic acid and soluble kelp. Helps to increase nutrient uptake, encourages vigorous root systems and helps plants resist stress. It increases root mass and size by colonizing the root system with symbiotic fungi and bacteria. The fungi extend their network into the surrounding rhizosphere, massively increasing the plants ability to uptake water and nutrients. These fungi and bacteria are specifically selected for tolerance to environmental extremes and compatibility with non-conifer plant species.

## Soil Moist™

Soil Moist™ has been developed to reduce the amount of watering needed to maintain vigorous, healthy plants. Soil Moist™ is safe to use in all landscape and gardening situations, including vegetable gardens. When mixed in the soil, the Soil Moist™ crystals will soften and swell as water is added and absorbed. The polymer acts as a water reservoir, releasing water to the plant as the surrounding soil dries.

## Fibered Sphagnum Moss

Absorbs and retains up to twenty times its weight in water, twice as much as a cellulose sponge. Invaluable for soilless gardening, transplanting, mulch and hanging basket filler. For soil mixes, it offers excellent root aeration. Also used for rooting bulbs, cuttings and swamp gardens. Long fibered sphagnum moss is not peat moss, but rather a perennial plant that grows wild in the central Wisconsin sphagnum bogs.

## Black Beauty™ Grass Seed

Produces a darker-green turf naturally. With improved disease resistance and drought tolerance, Black Beauty Grass redefines what a "green-lawn" is supposed to look like! The grass leaves possess an invisible waxy coating, very similar to what you'd find on an apple which helps to preserve moisture in the leaf and wards off stress from heat, cold, wind and disease. With roots that can grow up to four feet deep into the soil, it will improve any lawn it is overseeded into. This blend grows well in clay or sandy soils and in full sun or partial shade.

## Organic Insect Control

Kills and repels over 100 insects pests including ants, fleas, spiders, ticks, chinch bugs and more with a patented blend of organic plant oils. For use on lawns, landscape beds and outdoor perimeter home treatment. This is environmentally safe. These essential plant oils work by blocking specific neural pathways called Octopamine receptors that only exist in insects, therefore having no adverse effect on mammals, birds or fish. Causes an immediate "knock-down" followed rapidly by the insects' death. These botanical formulas have strong repellency characteristics that keep new bugs from coming into the area.

### Ringer® 0% Phosphate Lawn Restore® Fertilizer

Made from a combination of ingredients including high quality protein meals. It contains no manures and no has no manure odor. Phosphate free 10-0-6 organic fertilizer will give you a lush, thick, green lawn without the worries associated with traditional synthetic chemical fertilizers. This organic lawn fertilizer is also extremely easy to use. Cover 4,000 square feet and will last up to 8 weeks per application. Effective on established lawns, while it is also ideal for helping new sod or seed establish root systems. All natural granules are specially formulated to contain equal proportions of nutrients for uniform feeding of your grass. Restore slowly releases nitrogen derived from natural protein sources, which feeds your lawn. This system avoids flushes of growth, which are detrimental to your grass.

## 4 Basic Pruning shear

This model offers the same quality, extremely sharp cutting blade as the Felco 2 pruner. The blade adjustment is by the center bolt and lock-nut only. It has no rubber cushion, shock absorber or locking segment and it is priced accordingly. This is basically a stripped-down Felco 2 without the all the extras meant for industrial or agricultural use.

Item #	Desc	UPC	Vendor	CS/UOS	Retail
80260009-4909	Shear	783929100029	F-4	50/1	\$81.99

## 5 Economy Pruner

The Felco 5 bypass pruner, with handles made from solid steel and simplified construction, is an ideal choice for the home hobby gardener. No cushion stop, sap groove or wire-cutting notch.

Item #	Desc	UPC	Vendor	CS/UOS	Retail
80260010-3221	Pruner	783929100036	F-5	50/1	\$53.99

## 6 Small Hands Pruner

Designed for those with smaller hands who may prefer a smaller, lighter pruner. This great tool is ideal for small pruning work such as grape vines, shrubs and young trees, it is also the first choice of many florists. The anvil blade is screw-mounted for easy replacement. The shorter blades facilitate closer cutting to the stem of the plant.

Item #	Desc	UPC	Vendor	CS/UOS	Retail
80260011-5564	Pruner	061049610049	F-6	50/1	\$92.99

## 7 Rotating Handle Pruner

The rotating handle revolves on its axis, allowing the fingers to move naturally, reducing the blisters and hand fatigue that so often accompany prolonged pruning work. This unique swivel action requires up to thirty percent less effort than conventional models and offers maximum comfort on continuous pruning. The swiveling handle may feel strange at first, but you'll quickly come to wonder how you ever lived without it.

Item #	Desc	UPC	Vendor	CS/UOS	Retail
80260013-7653	Pruner	783929100050	F-7	50/1	\$127.99

## Ergonomically Designed Pruners

Both cutting and anvil blades are not riveted and the narrow, pointed blade design allows for close pruning. Light alloy handles are shaped to act as an extension of the forearm. The anvil blade handle is designed to prevent the pruner from sliding through the hand. This hollow ground, Swiss, precision, hardened steel blade features a wire-cutting notch. The blades are set on dowel pins for easy maintenance.

Item #	Desc	UPC	Vendor	CS/UOS	Retail
80260014-5980	Right Hand	783929100067	F-8	50/1	\$99.99

## 600 Folding Miracle Saw

Fast, easy pull action is easier and safer than other saws. The shape of the turbo-cut blade is thinner at the top and thicker at the bottom-where the teeth are. This unique Felco feature keeps only the teeth in contact with the material to be cut. This prevents clogging and binding, since the sides of the blade never come in contact with the wood.

## Curtis Wagner Plastic Corp.

*Curtis Wagner Plastics Corp.*  
THE ORIGINAL INVENTOR OF CLEAR VINYL SAUCERS

### Wire Coco Hanging Basket Drip Pan

Designed to clip underneath either a 12" dia. or 14" dia. wire coco basket to prevent water dripping thru the hanging baskets. It will also work as a watering device by filling it full of water and letting it self water the hanging basket thru absorption. This is very effective in hot dry weather.

## Neptune's Harvest

### Crab Shell 2-3-0

It is an excellent dry organic source of NPK, calcium (23%) and magnesium (1.33%). Crab shell is high in chitin, which promotes the growth of chitin eating bacteria in the soil. When crab shell is added to the soil it helps to create a hostile environment for the fungus and nematodes by feeding the biological life. It will help eliminate Ants, Grubs, Fungus and Root Nematodes, because they are all Chitin based in structure. Put around plants, Crab Shell will keep Slugs and snails off. It also helps choke out weeds and keep moles, voles, mice, etc from digging up bulbs and root vegetables.

## Seaweed Plant Food 0-0-1

Growth promoting substances (Auxins, Cytokinins, Gibberellins) enhance plant development, color and vigor. Seaweed has also been found to increase plant hardiness and resistance to adverse environmental conditions, such as early frost, extreme heat and lack of moisture. Used as a seed inoculant, seaweed fertilizer increases and accelerates germination, and enhances the rapid development of a healthy root system. Seaweed is an excellent addition to any fertilization program.

### Chickadee Mix Bird Seed

Formulated to attract Chickadees. These little birds tend to forage together with nuthatches and titmice in mixed flocks. They dwell in trees, and they relish sunflower mixes and tree nuts.

Ingredients: Black Oil Sunflower Seed, Shelled Peanuts, Striped Sunflower Seed, Sunflower Kernels, Pecans and Pistachios.

### Delite High Protein Wild Bird Mix

Many people are reluctant to feed wild birds during the warm months because the bird seed germinates and causes weeds. Bird food shells make decks, patios and lawns unsightly. This mix is waste-free, mess-free and weed-free. It's also a great value, because you don't pay for the shells. Ingredients: Shelled Peanuts, Sunflower Kernels, Pecans, Pistachios, and Shelled Pumpkin Seeds.

## Golden Safflower Seed

Features NutraSaff™ safflower, an organic, chemical-free hybrid. It has higher nutrition content than white safflower: 15% more oil, 25% higher protein, and 30% higher fat. Nutrasaff™ has an extremely thin hull making it easier for birds to eat and digest. Provides the dual benefit of high nutrition for birds and a taste that deters squirrels.

# Customer Information Form & Credit Application

Please fill out information completely.  
Please allow 2-4 weeks for credit replies and credit approval.

## *Instructions*

Please complete numbers 1 through 14 of the Customer Information Form.  
If you wish to apply for a credit account, please complete the Credit Information Form on Page 3  
and fill out and sign the Credit Release Form on the last page of this document.  
Note: All sections must be completed in full.

## *Terms & Conditions*

<b>Credit Terms:</b>	Terms are Net 30 days from date of delivery or as otherwise stated with approved credit.
<b>COD Shipments:</b>	COD shipments will be made to all accounts with a balance overdue 30 days and to all accounts when credit has not been established.
<b>Payments:</b>	We will accept cash, check or the following credit cards Visa, MasterCard, Discover. Credit cards will not be allowed any cash discounts. Credit cards taken after the initial purchase (for payments on account) will be assessed a 2% handling fee, and will not be processed without a signed form authorizing Griffin Greenhouse Supplies, Inc to charge the additional handling fee.
<b>Returned Checks:</b>	Returned checks will be assessed a \$25.00 fee in addition to usual bank fees. Excessive returned checks will result in accounts placed on a cash/certified check only basis.
<b>Late Payments:</b>	We will assess accounts with overdue balances a 1 1/2% per month service charge, an annual rate of 18%. Accounts with overdue balances will be expected to pay COD until the old balance is paid.
<b>Minimum Order:</b>	For delivery via our trucks, within our normal delivery area, we require a minimum order of \$250. A \$15.00 surcharge will be charged for the delivery of any order under \$250. On orders shipped under \$25.00, we will add a \$5.00 small order upcharge in addition to shipping or delivery charges. We reserve the right to ship any order under \$250.00 via UPS or common carrier.
<b>Deliveries:</b>	All orders for delivery via our trucks within our normal delivery area must be placed at least 48 hours or two working days prior to your delivery day. There will be a delivery charge applied to our truck deliveries, except back orders. We will, at our option, delivery or prepay delivery of backordered items that were not available for a previous delivery. Please contact our Customer Service department for delivery charges on plant material.
<b>Returns:</b>	We will not accept returns without prior approval and credit will not be issued until returned merchandise has been inspected and approved. Returns made within 30 days will be subject to a 20% restocking charge. We will not accept items for return which were specially ordered or non-stock items.
<b>Damaged Shipments:</b>	All claims of damaged shipments including plants must be made within 48 hours of delivery. Sorry, no exceptions to this policy.
<b>Sales Tax:</b>	Applicable tax will be charged unless an exemption certificate is on file with us prior to shipment. Sorry, sales tax charged prior to receipt of exemption certificate will not be refunded.

## Sales Tax Information

We have attached blank sales tax exemption forms pertaining to sales made in your state. Since all states charge sales tax differently, depending on the product purchased and the exemption form or certificate provided, it is important that we receive the appropriate form from you, filled out completely, based on your company's situation.

If we do not have the completed forms, we will charge sales tax based upon the sales tax laws in your state.

Please note, if you provide us with a resale certificate, we will charge you sales tax on items not normally sold in the ordinary course of your business. Such items would include, but are not limited to, a greenhouse, benching in a greenhouse or an irrigation system, to name a few.

#### PERSONAL GUARANTY

In consideration of the extension of credit by the Seller, herein to Buyer herein, the undersigned does jointly and severally guarantee to pay and be responsible for payment of all sums, balances and accounts due Seller by Buyer, including collection cost, attorney's fees and court cost. The undersigned hereby irrevocably submit themselves to the jurisdiction of the Courts of the Commonwealth of Massachusetts for the purpose of any suit or other proceedings brought by Griffin Greenhouse Supplies, Inc. or to enforce payment of credit extended hereunder, and expressly waives, and agrees not to assert, in defense of such action, impropriety of revenue or lack of jurisdiction. This shall be an open and continuing guaranty and shall continue in force notwithstanding any change in form of such indebtedness, or renewals or extensions granted by the Seller, without obtaining any consent there-to, and until expressly revoked by written notice from me/us to Seller. Any such revocation shall not in any manner affect by/our liability or any indebtedness existing prior hereto. I/we do hereby waive notice of the taking action to collect or enforce payment of any obligation hereby guaranteed, with as against the Buyer or any other person primarily or liable with the Buyer, either operate as a waiver of any such right or in any manner prejudiced Seller's rights against me/us. I/we agrees that in the event of any default at any time by said Buyer, Seller shall be entitled to look to me/us immediately for full payment without prior demand or notice.

### ***Pesticide Policy***

Most of you, in the course of growing your crop, will use a product or products that have been designated "Restricted" by Federal or State statutes.

We are, by virtue of our license to sell these products, required to record your license to use these products and report that information on demand. We must have a copy of your current/valid Pesticide license on file.

No restricted products can or will be allowed out of our warehouse until that copy of your valid license has been received in our files. All chemical deliveries must be received and signed for by the license holder or they will be returned to our warehouse.

***Thank you!***

# Terms & Conditions

## Griffin Retail Catalog 2015

### UPS / FED EX

We generally recommend UPS / Fed Ex deliveries as the best method for shipping, providing these requirements can be met: all UPS / Fed Ex shipments require a signature, a street address and a zip code. Please do not ask us to ship UPS / Fed Ex unless these requirements are met.

### Hazardous materials can no longer be shipped UPS / FEDEX / USPS

There is a 12.50 charge per package for all C.O.D deliveries by UPS / Fed Ex. We suggest paying by credit card to alleviate this. UPS / Fed Ex has a fuel surcharge into their freight rates that will fluctuate monthly based on current fuel cost. All orders will have a \$5.35 charge for packaging and handling. There is an additional handling fee of \$10.00 for all packages not in a box or 60 inches along it's longest side, and 30 inches along its second longest side, or has an actual weight of 70 pounds or greater. **Any refused C.O.D deliveries will incur a 20% restocking charge.**

### UPS / FED EX- Damaged Shipments

If you see that a shipment is damaged upon receipt from UPS / Fed Ex, refuse shipment. UPS / Fed Ex will return the shipment to us, and we will file the claim and send a new shipment to you. If after opening the package you find concealed damage, call us at once. We will instruct UPS / Fed Ex to pick up the package and return it to us for a claim. We will reship your order.

### C.O.D. Shipment

Will be made to all accounts with a balance over 60 days.

### Deliveries

In order to provide you with the best service possible all deliveries made must be signed for, which will ensure the right product and quantities are received. All pallets are wrapped and taped to ensure your order arrives complete. If your pallet is tampered with, please sign the bill of lading "**1 pallet received, tape and wrap has been broken.**" Any shortages or missed shipments must be noted upon receipt of your delivery, so please try to be available on delivery date. All orders for delivery must be placed 48 hours, or 2 working days, prior to your delivery day.

### Delivery charges:

**Zone 1** - CT, DE, MA, MD, ME, NH, NJ, NY, PA, RI & VT - \$30.00 charge

**Zone 2** - AL, GA, KY, NC, SC, VA, TN & WV - \$45.00 charge\*

\*Orders of \$500 or more \$30.00 charge.

Multiple orders on one ship date would be subject to just a single charge. Any back orders would not be subject to an additional charge. Requested liftgate service will have a \$20 fee added.

### Motor Freight Shipments

The original Bill of Lading attached to our invoice indicates that material shipped has now become your property and is an acknowledgment by the transportation company of the receipt of the property in good condition. Safe delivery of this shipment is now the responsibility of the carrier. Please examine your shipment carefully before signing the freight bill. We will be glad to assist in tracing or recovery of lost merchandise.

### Motor Freight - Damage or Shortage

If any damage is noted, or if the number of pieces received does not agree with the number on the bill of lading, DO NOT accept the shipment without shortage or damage notated on your freight bill and signed by the carrier's agent (driver). Failure to do so may jeopardize your recovery. If any concealed damage or shortage is discovered when unpacking, leave the material and the packing as is and notify the carrier for a concealed damage or shortage inspection. Consult the carrier for the necessary claim papers and disposition of damaged articles. When checking shipments, compare what was received with packing list or invoice. If there is a shortage due to our counting, **YOU MUST CONTACT US WITHIN 10 DAYS** and provide us with full details.

Claims with motor freight companies must be made promptly. The freight company will not consider a claim unless it is presented within nine months from the date of shipment. The carriers agent will assist you in making that claim. Claims for loss or damaged material and transportation charges MUST NOT be deducted from the invoice and the payment of invoices MUST NOT be withheld awaiting adjustment of such claims, since it is the function of the carrier to guarantee safe delivery.

### Payments

We accept Check, or the following major Credit Cards: Visa, MasterCard, American Express, and Discover. No additional discounts allowed on credit card payments. Credit cards taken after the initial purchase will require a signed form stating that purchaser agrees to a 2% processing fee, charged by Griffin Greenhouse Supplies Inc, and will be charged with the balance being paid.

### Offerings

Listed are made subject to being available. We will not be held responsible for delays in shipment caused by conditions beyond our control. Applicable substitutes will be made when necessary.

### Terms

Are net 30 days unless otherwise stated. A 1½% per month service charge is added on all overdue accounts. This is an 18% annual charge. Terms are COD where credit has not been established. Returned checks will be assessed a \$20.00 fee. Delayed Payment Plan (dating) will only be extended to accounts with a satisfactory payment record.

### Direct Shipment Deposits

All material that is shipped Direct from the manufacturer to the customer will require a 30% deposit before the order can be placed with the manufacturer. Depending on the size or complexity of the order you will be required to sign off on a bill of lading to ensure the accuracy and condition of the order.

### Minimum Order- Retail goods

All orders under \$400 will incur a \$15 minimum order surcharge in addition to any regular delivery charges. In addition, any order under \$30 will incur a \$5 small order up-charge along with shipping or delivery charges.

### Returns

No merchandise may be returned without authorization from our office. Merchandise must be returned within 60 days of purchase. Invoice number and date of purchase is required for any/all returns. A restocking charge of 20% is charged on all returns unless merchandise is defective. **ITEMS THAT ARE SPECIAL ORDERED, MADE TO CUSTOMER SPECIFICATIONS, NON-INVENTORY OR NON-STOCK ITEMS, CANNOT BE RETURNED FOR ANY CREDIT DUE TO THEIR SPECIAL NATURE.**

### Sales Tax

Appropriate state tax will be charged based on location of delivery. All items will be charged sales tax unless we have your tax exempt number on file. In compliance with the law, we must charge the tax on all items, which the state designates as taxable even though you have provided us with your sales tax number. If any items purchased are for company use please notify us so the appropriate tax can be charged.

### Recommendations

Made by us are compiled from recognized horticultural sources. We are not responsible for damage or failure due to recommendations given by Griffin Greenhouse Supplies, Inc.

### Notice to Purchaser

The following is made in lieu of all warranties expressed or implied. Seller's and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use or the inability to use the product. Before using, user shall determine the suitability of the product for his intended use, and user assumes all risk and liability whatsoever in connection therewith. The foregoing may not be changed except by an agreement signed by officers of seller and manufacturer. All terms and conditions listed are subject to change.

### Prices and terms are subject to change without notice.

Prices at time of shipment will prevail. For current quotations, please call us. Prices shown in this catalog are current at the time of printing only (Dec 2015). Prices quoted are FOB Stafford Springs, CT, Morgantown, PA, or FOB the factory unless otherwise stated.

### Testimonials;

"The deer would consume an entire hosta in one visit. They ate a row of 350 gorgeous tulips in one night...a year of waiting for these beautiful plants...gone in just a couple of hours. Then I discovered "Everguard". It has saved our gardens! The deer still visit, they even appear in some of our wedding photos...but they leave our "Everguarded-ed" plants alone! I can never thank you enough for developing a deer-proofing product that works!"

Brian R. Dunning  
Independence Harbor, Wedding and Banquet Facilities  
Assonet, Massachusetts

"Thanks so much for saving my garden and not making it smell like a graveyard of dead animals!!"

Eleanor S, Pennsylvania

"Your product is the only thing that keeps Blacktail Deer away from my ornamental grasses."

Lyle L, Washington
